**Dear Evolutions,**

I wanted to take a minute to thank everyone for their continued support as we work to build our yoga studio up to the best it can be. We sincerely recognize that it takes each one of you and your support to make Evolutions happen. As the spring and summer months approach we will be working to raise money for a sign for the building by offering many great opportunities to see amazing musical talents, and through fundraising yoga events.

We are also working to raise community awareness about Evolutions and draw in some fresh faces to build our student community. We would love your help in raising awareness by bringing friends to class with you, and attending our special events. Special events are a great way to introduce someone to yoga, or to the studio in general.

**May 29th Kirtan**

This night is going to be a very special night and we are very blessed to be hosting Arjun Baba & Jason Kalidas. Kirtan is a special yogic practice that is very dear to my heart and I would like to personally invite each of the yoga students to attend. There is
